9 N.B. 108

Muskogee, Indian Territory, April 13, 1905.

Alfred Worcester,

Blanco, Indian Territory,

Dear Sir:

There is inclosed you herewith for execution application for the enrollment of your infant child, Edmond Worcester, born September 27, 1902.

The affidavit heretofore filed was one that you made, while it is necessary to have that of the mother and the attending physician or midwife; but in the event that the mother is dead, as it appears from your affidavit, or there was no physician nor midwife in attendance, it will be necessary for you to secure the affidavits of two persons who have actual knowledge of the fact, that the child was born, the date of his birth, that he was living on March 4, 1905, and that Sissie Worcester was his mother.

It is stated in the above mentioned affidavit that the mother, Sissie Worcester, was a citizen by blood of the Chickasaw Nation.

If this is correct you are requested to state when, where and under what name she was listed for enrollment, the names of her parents and other members of her family for whom application was made at the same time, and if she had selected an allotment,

9-NB-108.

Muskogee, Indian Territory, May 13, 1905.

Alfred Worcester,

Blanco, Indian Territory,

Dear Sir:

Referring to the application for the enrollment of your infant child, Edmund Worcester, born September 27, 1902, it is noted, from the affidavits heretofore filed with the Commission, that the mother of the applicant is dead.

Before this matter can be finally disposed of it will be necessary for you to file with the Commission the affidavits of two persons, ~~who~~ have actual knowledge of the facts that the child was born, the date of his birth; that he was living on March 4, 1905, and that Cissie Worcester was his mother.

Please give this matter your immediate attention.

Respectfully,

Chairman.

Dear Sir:

There is returned you herewith what purports to be the joint affidavit of Isom Pickens and Henry Wesley for the reason that the same has not been signed by the affiants.

You should have these affidavits signed by Isom Pickens and Henry Wesley as early as possible and return the same to this office in order that proper disposition may be made of the application for the enrollment of Edwin Worcester.

Dear Sir:

James B. Vandiver,

Reff, Indian Territory.

Dear Sir:

Your letter of December 28, 1905, addressed to the United States Indian Agent has been by him referred to this office for appropriate action. Therein you ask relative to the right to enrollment of Lillie Kinner, daughter of Wuley Kinner; receipt is also acknowledged of your letter of January 12, 1906, upon the same subject. You also state that Roger and Alice Stick (Sealy) both full blood Chickasaws are the parents of twins born on or about September 30, 1904, one of them a girl named Rilla was duly enrolled and still living, the other was a boy named Thomas who lived only a week and for whom no application was made; you now ask if there is any chance to have him enrolled; you also request regulations governing the enrollment of Indians and blank applications for the enrollment of adults and infants.

In reply to your letter you are advised that the information contained therein is not sufficient to enable this office to identify Lillie Kinner, child of Wuley Kinner as an applicant for enrollment. If you will state the name under which Wuley Kinner was enrolled, her age, the names of her parents, and such

J. B. V. #2

other information as will enable this office to identify her upon its records, the matter of your inquiry will receive further consideration.

Further replying to your letter you are advised that under the provisions of the act of Congress approved March 3, 1905, only those children of citizens of the Choctaw and Chickasaw Nations born subsequent to September 25, 1902, who were living March 4, 1905, were entitled to enrollment. You will therefore see that there was no authority for the enrollment of Thomas Stick.

You are also advised that there is now under existing legislation no authority for the reception of original applications for enrollment in the Choctaw and Chickasaw Nations and this office has no blanks of the character requested for distribution.

Respectfully,

Commissioner.

In the matter of the application for the enrollment of
Texie Brown as a citizen by intermarriage of the Chickasaw Nation.

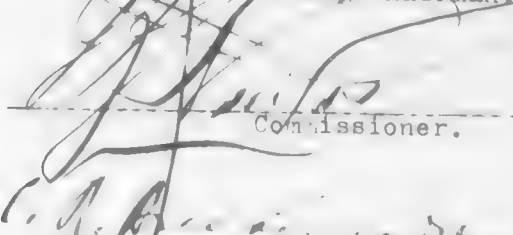

--- D E C I S I O N . ---

It appears from the record herein that Texie Brown (nee Carr), on October 8, 1898, was married in accordance with the laws, customs and usages of the Chickasaw Nation to Wesley Brown, a recognized and enrolled citizen by blood of the Chickasaw Nation, whose name appears as No. 2244 upon the lists prepared by this Commission under the Act of Congress approved July 1, 1902 (32 Stats., 641) of persons entitled to enrollment as citizens by blood of the Chickasaw Nation and approved by the Secretary of the Interior on December 12, 1902; that at the time of said marriage both persons above mentioned were residents in good faith of the Chickasaw Nation, and that they have lived together continuously in said Nation as husband and wife from the date of said marriage up to and including September 25, 1902.

It is therefore the opinion of this Commission that Texie Brown should be enrolled as a citizen by intermarriage of the Chickasaw Nation under the provisions of the Acts of Congress approved June 28, 1898 (30 Stats., 495), and July 1, 1902, (32 Stats., 641), and it is so ordered.

Gilbert Pickens,

McVillar, Indian Territory,

Dear Sir:

Referring to the application for the enrollment of your infant child, Jefferson Pickens, it appears that you are a citizen by blood of the Choctaw Nation, while your wife is a citizen by blood of the Chickasaw Nation.

Your attention is called to the provision of the Act of Congress approved June 25, 1902, as follows:

The several Tribes may, by agreement, determine the right of persons who for any reason may claim citizenship in two or more tribes, and to allotment of lands and distribution of moneys belonging to each tribe; but if no such agreement be made, then such claimant shall be entitled to such rights in one tribe only, and may elect in which tribe he will take such right; but if he fail or refuse to make such selection in due time, he shall be enrolled in the tribe with whom he has resided, and there be given such allotment and distributions, and not elsewhere.

It will therefore be necessary for you and your wife to appear before a Notary Public or other officer authorized to administer oaths and to take a solemn oath in which nation you desire to have said child enrolled, forwarding same, when properly executed, to the Commission.

Respectfully,

Chadman

Dear Sir:

There is enclosed herewith for execution application for the enrollment of your infant child, Jefferson Pickens, born November 15, 1903?

Your wife's affidavit heretofore filed in this office, is signed by her as Leanna Pickens. The records of the Commission show your wife's name to be Leona Pickens, in which manner you will please have her to sign the enclosed affidavit.

In having these affidavits executed care should be exercised to see that all names are written in full as they appear in the body of the affidavits, and if either of the persons signing the affidavits are unable to write, signature by mark must be attested by two witnesses. Each affidavit must be executed before a Notary Public and the notarial seal and signature of the officer must be attached to each separate affidavit.

You are requested to give this matter your immediate attention, as no further action can be taken in this matter

Gentlemen:

Receipt is hereby acknowledged of your letter of March 30, 1905, enclosing affidavits of Susie Gardner and I. N. Carrell to the birth of Winona Gardner, daughter of Robert and Susie Gardner, October 2, 1903, and the same have been filed with our records as an application for the enrollment of said child.

Replying to that portion of your letter in which you refer to the work of Honorable James Bower and ask if it will be approved without further proof, you are advised that it is impracticable to state whether or not application for the enrollment of infant children which may have been forwarded to this office by Mr. Bower will be approved without further proof, as you do not mention the names of the children for whom such applications were made. You are advised, however, that all applications for the enrollment of infant children under the act of Congress of March 3, 1905, should be forwarded to this office or to one of the enrolling parties of the Commission.

That part of your letter referring to the application

for the enrollment of Abel H. Johnson will be made the subject of another communication.

Respectfully,

Muskogee, Indian Territory, April 15, 1905.

Robert Gardner,
Ti, Indian Territory,

Dear Sir:

There is inclosed you herewith for execution application for the enrollment of your infant child, Winona Gardner, born October 2, 1903.

The affidavit of the mother heretofore filed with the Commission, shows the child was living on January 16, 1905. It is necessary, for the child to be enrolled, that all the affidavits show she was living on March 4, 1905. Please insert the mother's age in the space left blank for the purpose.

In having these affidavits executed care should be exercised to see that all the names are written in full as they appear in the body of the affidavit, and in the event that either of the persons signing the affidavit are unable to write, signatures by mark must be attested by two witnesses. Each affidavit must be executed before a Notary Public and the notarial seal and signature of the officer must be attached to each separate affidavit.

Robert Gardner,

T1, Indian Territory,

Dear Sir:

Referring to the application for the enrollment of your infant child, Winona Gardner, it appears that you are a citizen by blood of the Choctaw Nation, while your wife is a citizen by blood of the Chickasaw Nation.

Your attention is called to the provision of the Act of Congress approved June 28, 1898, as follows:

The several Tribes may, by agreement, determine the right of persons who for any reason may claim citizenship in two or more tribes, and to allotment of lands and distribution of moneys belonging to each tribe; but if no such agreement be made, then such claimant shall be entitled to such rights in one tribe only, and may elect in which tribe he will take such right; but if he fail or refuse to make such selection in due time, he shall be enrolled in the tribe with whom he has resided, and there be given such allotment and distributions, and not elsewhere.

It will therefore be necessary for you and your wife to appear before a Notary Public or other officer authorized to administer oaths and by affidavit elect in which nation you desire to have said child enrolled, forwarding the same, when properly executed, to the Commission.

Respectfully,

Chairman.

Edward E. Pitchlynn,

Caddo, Indian Territory,

Dear Sir:

Referring to the application for the enrollment of your infant child, Peter P. Pitchlynn, it appears that you are a citizen by blood of the Choctaw Nation, while your wife is a citizen by blood of the Chickasaw Nation.

Your attention is called to the provision of the Act of Congress approved June 28, 1898, as follows:

The several Tribes may, by agreement, determine the right of persons who for any reason may claim citizenship in two or more tribes, and the allotment of lands and distribution of moneys belonging to each tribe; but if no such agreement be made, then such claimant shall be entitled to such rights in one tribe only, and may elect in which tribe he will take such right; but if he fail or refuse to make such selection in due time, he shall be enrolled in the tribe with whom he has resided, and there be given such allotment and distributions, and not elsewhere.

It will therefore be necessary for you and your wife to appear before a Notary Public or other officer authorized to administer oaths and by affidavit elect in which nation you desire to have said child enrolled, forwarding same, when properly executed, to the Commission.

Respectfully,

William W. Cooper,

Dear Sir:

Receipt is hereby acknowledged of the affidavits of Dennis M. Cooper and J. A. Dean to the birth of Ruby Leah Cooper, infant daughter of William W. and Dennis M. Cooper, October 23, 1903, and that said child is now dead.

You are advised that the act of Congress approved March 3, 1905, provides as follows:

"That the Commission to the Five Civilized Tribes is authorized for sixty days after the date of the approval of this act to receive and consider applications for enrollment of children born subsequent to September twenty-fifth, nineteen hundred and two, and prior to March fourth nineteen hundred and five, and who were living on said latter date, to citizens by blood of the Choctaw and Chickasaw tribes of Indians whose enrollment has been approved by the Secretary of the Interior prior to the date of the approval of this act; and to enroll and make allotments to such children."

Under the above legislation the Commission is without authority to enroll children born subsequent to September 25, 1902 who are not living on March 4, 1905.

Respectfully,

Muskogee, Indian Territory, April 17, 1905.

William W. Cooper,

Roff, Indian Territory,

There is inclosed you herewith for execution application for enrollment of your infant child, Baby Leah Cooper, born October 23, 1903.

The affidavits heretofore filed with the Commission show the child was living on March 2, 1905. It is necessary, for the child to be enrolled, that she was living on March 4, 1905.

In having these affidavits executed care should be exercised to see that all the names are written in full as they appear in the body of the affidavit, and in the event that either of the persons signing the affidavit are unable to write, signatures by mark must be attested by two witnesses. Each affidavit must be executed before a Notary Public and the notarial seal and signature of the officer must be attached to each separate affidavit.

Respectfully,

SIGNED *Tame Bixby.*

Yours dated 17th at hand. You will pardon me for correcting an error you are under. You claim the affidavit made out and filed with the Commission shows the child was living on March 2nd 1905. If you will examine closely the affidavit you will find the child was born Oct 23rd 1903 and died Oct 20th 1904 and was not living on March the 2nd 1905 as stated in your communication to me dated April 17th 1905.

W. W. Cooper,

Reef, Indian Territory,

Dear Sir:

Receipt is hereby acknowledged of your letter of April 21, 1905, in which you state that your child, Ruby Leah Cooper, died October 20, 1904. Your information has been made a matter of record in this case.

You are advised that under the provisions of the act of Congress approved March 3, 1905, the Commission is authorized for a period of sixty days from that date to receive applications for the enrollment of children born to enrolled citizens by blood of the Choctaw and Chickasaw Nations, between September 25, 1902, and March 4, 1905, and living on the latter date. You will, therefore, see the Commission is without authority to enroll your child.

Antlers, Indian Territory,

There is enclosed you herewith for execution application for the enrollment of your infant child, Henry Clay Nash, born September 3, 1904.

The Affidavits heretofore filed with the Commission show the child was living on September 23, 1904. It is necessary, for the child to be enrolled, that he was living on March 4, 1905.

In the event that you cannot secure the affidavit of the attending physician, it will be necessary for you to file with the Commission the affidavits of two disinterested persons who have actual knowledge of the facts that the child was born, the date of its birth; that he was living on March 4, 1905, and that Lizzie Nash is his mother.

In having these affidavits executed care should be exercised to see that all the names are written in full, as they appear in the body of the affidavit and in the event that either of the persons signing the affidavits are unable to write, signatures by mark must be attested by two witnesses. Each affidavit must be executed before a Notary Public and the notarial seal and signature

H. C. N. 2.

of the officer must be attached to each separate affidavit.

Respectfully,

Chairman.

Mr. Silas Foster,

Goodland, Indian Territory,

Dear Sir:

The Commission is in receipt of the application for enrollment as a citizen of the Choctaw Nation of Thomas Harkin, the infant son of Hannah Austin and Silas Foster; on June 28th, 1900, the Commission wrote you returning the inclosed application for the reason that the witnesses to Hannah Austin's signature signed their names by mark, and it was not stated whether Hannah Austin signed by mark. At that time there was sent you a new application to be filled out with this correction, and instead you return the same application with the errors uncorrected. The Commission cannot accept the birth certificate in its present form. Signatures by mark must be attested by witnesses who can write their own names. If Hannah Austin does not sign her name by mark, it is not necessary to have any witnesses to her signature. There is sent you herewith a new blank birth certificate to be filled out instead of the one returned you today. Upon receipt of this new application in proper form, the application for enrollment of Thomas Harkin will receive consideration.

Yours truly,

Dear Sir:

Receipt is hereby acknowledged of the affidavit of Nina Hamblin and G. M. Tralls, relative to the birth of Mary Ruth Hamblin, infant daughter of C. M. and Nina Hamblin, October 4, 1902.

Your attention is invited to section 28 of the act of Congress approved July 1, 1902, and ratified by the citizens of the Choctaw and Chickasaw Nations, September 25, 1902, which states fol-

"The names of all persons living on the date of the final ratification of this agreement entitled to be enrolled as provided in section 27 hereof shall be placed upon the rolls made by said Commission; and no child born thereafter to a citizen or freedman and no person intermarried thereafter to a citizen shall be entitled to enrollment or to participate in the distribution of the tribal property of the Choctaw and Chickasaw Nations."

Under the above legislation the Commission is without authority to enroll children born to citizens of the Choctaw or Chickasaw Nations, subsequent to September 25, 1902, the date of the final ratification of the above act of Congress by the citizens of the Choctaw and Chickasaw Nations.

--- DECISION ---

It appears from the census cards in the possession of the Commission and the other records in this case that at Colbert, Indian Territory, on October 14, 1898, application was made for the enrollment of Harris McKinney and his minor child, Laura Etta McKinney, as citizens by blood of the Chickasaw Nation, since which time birth affidavits have been filed in the matter of the application for the enrollment of his infant children, Cecial Berthal and Maude Lee McKinney, as citizens by blood of the Chickasaw Nation; that at the same place and on the same date application was made for the enrollment of Charley Hayes as a citizen by intermarriage of the Chickasaw Nation, and for the enrollment of his minor children, Daniel, Minnie, Maggie and Edward Hayes, as citizens by blood of the Chickasaw Nation, that also at the same place and on the same date application was made for the enrollment of Martha McKinney as a citizen by intermarriage of the Chickasaw Nation; that at Ardmore, Indian Territory, on November 25, 1898, application was made for the enrollment of Oyd McKinney as a citizen by blood of the Chickasaw Nation; that at Atoka, Indian Territory, on December 5, 1899, application was made for the enrollment of Joseph Garsides as a citizen by intermarriage of the Chickasaw Nation, and for the enrollment of his seven minor children, Fannie, Ben, Alex, Jim, Nellie, Mattie and Joe Garsides Jr., as citizens by blood of the Chickasaw Nation.

Further proceedings in the matter of said applications were had at Durant, Indian Territory, at the session of the Commission commencing August 14, and ending August 13, 1899, and at Atoka, Indian Territory, on December 3, and December 8, 1900.

The applicants, Martha McKinney, Charley Hayes and his minor children, Daniel, Minnie, Maggie and Edward Hayes, and Joseph Garsides, are differently classified and are not embraced in this decision.

It appears from the evidence submitted and the records in the possession of the Commission that the applicants, Harris McKinney, and his three minor children, Laura Etta, Cecial Berthal and Maude Lee McKinney, and Oyd McKinney, Fannie Garsides, Ben Garsides, Alex Garsides, Jim Garsides, Nellie Garsides, Mattie Garsides and Joe Garsides Jr., claim rights to enrollment as citizens by blood of the Chickasaw Nation, by reason of being descendants of Polly McKinney (or McKinnie), who obtained a patent of land in Mississippi under the treaty of 1834 between the United States and the Chickasaw Nation, in which patent the said Polly McKinney (or McKinnie) was characterized as "a Chickasaw Indian;" that the principal applicants herein are, and have been for many years past, actual and bona fide residents of the Chickasaw country in Indian Territory, and are duly recognized as citizens of the Chickasaw Nation; that Harris McKinney's name is identified on the 1893 Chickasaw pay roll, book 2, page

B, No. 226; that Oyd McKinney's name is identified on the 1893 Chickasaw pay roll, No. 1, at page 140; that the applicants, Fannie Garsides, Ben Garsides, Alex Garsides, Jim Garsides, Nellie Garsides, Mattie Garsides and Joe Garsides Jr., are identified on the Haytubby 1893 Chickasaw pay roll, No. 2, duly enrolled with their father, Joseph Garsides; that Laura Etta McKinney, Cecial Berthal McKinney and Maude Lee McKinney, the minor children of the principal applicant, Harris McKinney, having been born subsequent to the tribal enrollment of their father, are identified from proper birth affidavits filed herein and made a part of the record in this case.

It is the contention of counsel for the Choctaw and Chickasaw Nations that the said Polly McKinney (or McKinnie) was a Cherokee Indian by blood, and that notwithstanding the recognition given the principal applicants herein as citizens of the Chickasaw Nation, they are not entitled to said citizenship as they are Cherokee Indians by blood and are not citizens by adoption of the Chickasaw Nation by an act of the Chickasaw legislature.

The contention that the said Polly McKinney (or McKinnie) was a Cherokee Indian and had no Chickasaw blood is not established by the evidence. She was recognized by the government of the United States as a Chickasaw Indian when the patent referred to was given to her, and was also recognized by the Chickasaws themselves, both in Mississippi and Indian Territory, as a member of said tribe of Indians; and it further appears from the testimony submitted, and the records in the possession of the Commission, that her descendants have been recognized and enrolled as citizens of the Chickasaw tribe of Indians.

The records in the possession of the Commission further show that none of the applicants herein has ever been recognized or enrolled by the Cherokee tribal authorities as a citizen of said Nation, nor has any of them ever been listed for enrollment as a citizen of the Cherokee Nation by the Commission to the Five Civilized Tribes.

It further appears that all of the applicants considered herein, except Cecial Berthal McKinney, who was born February 17, 1901, were residents in good faith of Indian Territory on June 28, 1898.

It is therefore the opinion of the Commission that the applications for the enrollment of Harris McKinney, Laura Etta McKinney, Cecial Berthal McKinney, Maude Lee McKinney, Oyd McKinney, Fannie Garsides, Ben Garsides, Alex Garsides, Jim Garsides, Nellie Garsides, Mattie Garsides and Joe Garsides Jr., as citizens by blood of the Chickasaw Nation should be granted under the provisions of section twenty-one of the Act of Congress approved June 28, 1898 (30 Stats., 495), and it is so ordered.

DEPARTMENT OF THE INTERIOR,
COMMISSION TO THE FIVE CIVILIZED TRIBES.

In the matter of the application for the enrollment of Leona McKinney as a citizen by blood of the Chickasaw Nation.

--: D E C I S I O N :--

It appears from the record herein that on April 7, 1905 there was filed with the Commission application for the enrollment of Leona McKinney as a citizen by blood of the Chickasaw Nation.

It further appears from the record herein and the records of the Commission that the applicant was born on September 7, 1903 and is a daughter of Oyd McKinney, a recognized and enrolled citizen of the Chickasaw Nation whose name appears as number 4647 upon the final roll of citizens of the Chickasaw Nation, approved by the Secretary of the Interior April 11, 1903, and Fannie McKinney, a noncitizen.

From a copy of a letter of the Commission to the Honorable Secretary of the Interior dated March 23, 1903 transmitting partial roll of citizens of the Chickasaw Nation, numbers 4564 to 4659, inclusive, upon which partial roll the name of the said Oyd McKinney is found, it appears that it was stated in said letter that the rights of the said Oyd McKinney, and others specifically mentioned therein, to enrollment as citizens of the Chickasaw Nation "are established by tribal recognition and by their descent from Polly McKinney, who was adopted by the Chickasaw tribe of Indians in the State of Mississippi prior to the year 1834, and who obtained a patent to land in that state under the treaty of 1834, between the United States and the Chickasaw Nation, in which patent the said Polly McKinney was characterized as 'a Chickasaw Indian'." However, on February 21, 1903 the Commission rendered a decision enrolling the said Oyd McKinney, and others, as citizens by blood of the Chickasaw Nation, thereby establishing the status of the said Oyd McKinney as a citizen by blood of said nation. A copy of said decision is filed herewith and made a part of the record in this case.

It further appears from the record herein that the applicant was living on March 4, 1905.

The Act of Congress approved March 3, 1903 (Public No. 212) among other things provides:

2.

2.

"That the Commission to the Five Civilized Tribes is authorized for sixty days after the date of the approval of this act to receive and consider applications for enrollment of children born subsequent to September twenty-fifth, nineteen hundred and two, and prior to March fourth, nineteen hundred and five, and who were living on said latter date, to citizens by blood of the Choctaw and Chickasaw tribes of Indians whose enrollment has been approved by the Secretary of the Interior prior to the date of the approval of this act; and to enroll and make allotments to such children."

It is the opinion of this Commission that Leona McKimsey is a child of a citizen by blood of the Chickasaw tribe of Indians within the meaning of the provision of the law above quoted and that, therefore, the application for her enrollment as a citizen by blood of the Chickasaw Nation should be granted and it is so ordered.

DEPARTMENT OF THE INTERIOR,

Dear Sir:

You are hereby advised that on November 24, 1905, the Secretary of the Interior approved the enrollment of your minor child, Leona McKinney, as a citizen of the Chickasaw Nation, and that the name of said child appears upon the roll of new born citizens of the Chickasaw Nation as number 551.

The child is now entitled to an allotment, and application therefor should be made without delay at the Land Office for the Nation in which the prospective allotment is located.

An entire allotment for said child must be selected at the time of the original application.

Subject:

Report on Departmental
letter of March 12, 1909,
as to degree of Indian
blood of Harris McKinney
and the Garside family.

The Honorable,

The Secretary of the Interior,

Sir:

Receipt is hereby acknowledged of Departmental letter of March 12, 1909, inclosing copy of a communication addressed by the Department to Honorable Charles D. Carter, relative to his request to be advised whether it would be possible to have designated on the approved rolls of the Chickasaw Nation the degree of Indian blood possessed by Harris McKinney and his family and other Chickasaw citizens by the name of Garsides.

It is observed that the printed rolls of citizens by blood of the Chickasaw Nation do not show the degree of Indian blood possessed by said persons and the Department states this may be due to an oversight in the preparation of the roll or it may be that the original enrollment records do not furnish information on the point.

Secretary.

The following report, submitted to me in examination of the file of the office, contains information in the cases of the following persons, as reported to the Department as to the information contained therein relative to the degree of Indian blood of each, including therein such information as is found on the census cards bearing their names.

Reported in this matter I have the honor to advise that the following persons of this office that Harris McKinney and Oyd McKinney, Charles Hayes and Joseph Carsides and their respective families were applicants for enrollment as citizens by blood of the Chickasaw Nation, claiming descent from one Polly McKinney, to whom a patent for land was issued November 16, 1840 by President Martin Van Buren, under the fifth article of the treaty made May 24, 1834 between the United States and the Chickasaw Indians, under which, the patent recites, Polly McKinney (as Polly McKinnie) became entitled out of the lands ceded to the United States by the treaty with the Chickasaw Nation entered into October 20, 1832, to three sections and a half of land, which was conveyed by said patent, and which was entered as number 1202 in the abstract of reservations under the fifth article of the aforesaid treaty of May 24, 1834.

Harris and Oyd McKinney are brothers, the children of William McKinney, son of Polly McKinney, Charley Hayes and

Secretary 3.

Joseph Garsides claim the right to enrollment as intermarried citizens by reason of their marriage to Mattie McKinney and Mary Louise McKinney, both deceased sisters of Harris and Oyd McKinney, and made application for the enrollment of their children, Daniel Hayes, Minnie Hayes, Maggie Hayes and Edward Hayes and Fannie Garsides, Ben Garsides, Alex Garsides, Jim Garsides, Nellie Garsides, Mattie Garsides and Joe Garsides Jr., by reason of their descent from the said Mattie McKinney and Mary Louise McKinney, their names appearing on the roll of citizens by blood of the Chickasaw Nation at Numbers 4652 to 4658 inclusive, respectively.

The said Joseph Garsides and Charley Hayes appear upon the roll of citizens by marriage of the Chickasaw Nation at Numbers 618 and 619 respectively.

Harris McKinney made application for the enrollment of himself and his three children, Laura Etta McKinney, Cecial Berthal McKinney and Maude Lee McKinney, as citizens of the Chickasaw Nation under the Act of Congress approved June 28, 1898 and the Act of Congress approved July 1, 1902, and also made application for the enrollment of his child, Emma May McKinney, under the Act of Congress approved March 3, 1905. The names of Harris McKinney and his children enrolled under the Act of Congress approved July 1, 1902, appear at Numbers 4668 to 4671 inclusive upon the roll of citizens by blood of the Chickasaw

Secretary 4.

Nation while the name of Emma M. McKinney appears upon the roll of new born citizens of said nation, enrolled under the Act of March 3, 1905, at Number 558.

Cyd McKinney made application for the enrollment of himself and his child, Georgie McKinney, as citizens of the Chickasaw Nation under the Act of Congress approved June 28, 1898 and the Act of Congress approved July 1, 1902, their names appearing at Numbers 4647 and 4980 respectively upon the approved roll of citizens by blood of the Chickasaw Nation. He also made application for the enrollment of Leona McKinney under the Act of Congress approved March 3, 1905, and her name appears upon said roll at Number 551. Under the Act of Congress approved April 26, 1906, he made application for the enrollment of his child, Williams McKinney, whose name appears upon the roll of minor citizens enrolled under said act at Number 299.

Daniel Hayes made application for the enrollment of his child, Henry Charles Preston Hayes, as a citizen of the Chickasaw Nation under the Act of Congress approved April 26, 1906, and his name appears upon the roll of minor citizens of the Chickasaw Nation enrolled under said act at Number 317.

Fannie Garcidas married James Self, who is enrolled at Number 346 upon the roll of Citizens by Marriage of the Chickasaw Nation, and they made application for the enrollment of their children, Sarah Arinda Self and Joseph W. Self under the Act of Congress approved March 3, 1905, their names appearing upon said roll at Numbers 552 and 553 respectively. They also made application

Secretary 8.

under the Act of Congress approved April 26, 1906, for the enrollment of their child, Cecil Newton Self, and his name appears at Number 183 on the roll of minor citizens of the Chickasaw Nation enrolled under said act.

None of the persons above named who appear upon the roll of citizens by blood of the Chickasaw Nation appear to be possessed of Chickasaw Indian blood except Emma May McKinney, who appears upon the roll of newborn citizens of the Chickasaw Nation under the Act of Congress approved March 3, 1905, at Number 200 as one-eighth blood Chickasaw, Cecil Newton Self, who appears upon the roll of Minor Chickasaws under the Act of Congress approved April 26, 1906, at Number 183 as possessed of one-sixteenth blood, William McKinney, who appears upon said roll at Number 184 as possessed of one-sixty-fourth Indian blood and Henry James, who appears upon the same roll at Number 185 as possessed of one-eighth Chickasaw blood.

It appears that the persons above referred to have, prior to the time they were enrolled upon the roll of citizens by blood of the Chickasaw Nation, claimed that they were possessed of Chickasaw Indian blood but that they did not know the degree of blood blood possessed by Polly McKinney, the Indian ancestor from whom they claimed descent. They were accordingly enrolled upon the roll of citizens by blood of the Chickasaw Nation, no degree of blood being given, they were not enrolled as adopted whites on the ground that they claimed to be possessed of some degree of Chickasaw Indian blood.

Secretary 6.

July 17, 1905, this office transmitted a schedule of citizens by blood of the Chickasaw Nation, Numbers 4968 to 4981 inclusive, containing the name of Georgie McKinney at Number 4980 thereon. August 18, 1905 (Land 59356-1905) the Commissioner of Indian Affairs recommended that the schedule be approved except as to Georgie McKinney, Number 4980, but that her name be eliminated from the roll and that the roll be changed as to her father, Geo. McKinney, to show that he is an adopted citizen of the Chickasaw Nation.

August 23, 1905, the report of the Commissioner of Indian Affairs was referred to the Assistant Attorney General for opinion as to whether Georgie McKinney was entitled to enrollment under the Act of Congress approved March 3, 1903. September 1, 1905, he held that Georgie McKinney was entitled to enrollment within the meaning of the Act of Congress of March 3, 1903, even though she were the descendant of an adopted citizen. A copy of this opinion was transmitted with Departmental letter of September 7, 1905 (I. T. D. 10822, 11176-1905) and the schedule of Chickasaws by blood above referred to was approved by the Secretary of the Interior on the date last named.

February 20, 1907 further opinion was rendered by the Assistant Attorney General on a motion for review of the case of Georgie McKinney, filed by counsel for the Chickasaw Nation, recommending that the applicant be enrolled and the motion denied. This opinion was transmitted with Departmental letter of March 1, 1907 (I. T. D. 5754-1907).

Secretary 7.

May 25, 1906 (I. T. D. 9586-1906) the Department returned a schedule of newborn citizens of the Chickasaw Nation enrolled under the Act of Congress approved March 3, 1905, Numbers 558 to 567 inclusive, containing the name of Emma May McKinney at Number 558, for the reason that the quantum of Indian blood possessed by this child did not appear on said schedule, and, in view of the provision of the Act of April 26, 1906, providing that the quantum of Indian blood possessed by any member of said tribes shall be determined by the rolls of citizens of said tribes approved by the Secretary of the Interior, this office was directed to endeavor to secure the necessary information as to the blood of Emma May McKinney.

June 14, 1906, in response to a request from this office, there was filed an affidavit of Harris McKinney to the effect that he was a one quarter blood Chickasaw and that his children, Emma May, Cecil Berthal and Maude Lee and Emma May McKinney were possessed of one-eighth Chickasaw blood.

Similar requests were also addressed to the other members of said family who had made application for the enrollment of their children under the Act of Congress approved April 26, 1906, and affidavits were received as follows:

December 7, 1906, affidavit was filed by Oyd McKinney stating that his son, William McKinney, Number Chickasaw Roll Number 559 was a one-eighth blood Chickasaw Indian. November 9, 1906, however, joint affidavit of Oyd and Emma May McKinney was filed

Secretary M.

stating that they do not know the exact amount of Chickasaw Indian blood contained by the said Oyd McKinney or his children.

July 5, 1906, the affidavit of Fannie Self was filed, giving the degree of Chickasaw blood of her child, Cecil Newton Self, Minor Chickasaw Roll Number 183, as one-sixteenth.

January 28, 1907, there was referred to this office by the Department letter from Daniel Hayes of January 18, 1907, in which he states that he does not know the degree of Indian blood possessed by him and his family but that the nearest he can get to it is between one-fourth and one-sixteenth, and the degree of Chickasaw blood placed opposite the name of his child, Henry Charles Preston Hayes, Minor Chickasaw roll Number 317, was estimated at one-eighth and it so appears upon the approved roll of Minor Chickasaws.

There are inclosed you herewith copies of Chickasaw cards Numbers 1675, Oyd McKinney, et al. Number 1826, Charley Hayes, et al., Number 1677, Harris McKinney, et al., Number 1678, George Garsides, et al.; copies of Chickasaw New Born cards, (Act of March 3, 1905) Number 237, Leona McKinney, Number 238, Emma May McKinney, Number 233, Sarah Arinda Self, et al. and copies of Minor Chickasaw cards, (Act of Congress approved April 26, 1906), Numbers 296, Williams McKinney, 258, Henry Charles Preston Hayes and 100, Cecil Newton Self.

It appears from the census cards in the possession of the Commission and the other records in this case that at Colbert, Indian Territory, on October 14, 1898, application was made for the enrollment of Harris McKinney and his minor child, Laura Etta McKinney, as citizens by blood of the Chickasaw Nation, since which time birth affidavits have been filed in the matter of the application for the enrollment of his infant children, Cecial Berthal and Maude Lee McKinney, as citizens by blood of the Chickasaw Nation; that at the same place and on the same date application was made for the enrollment of Charley Hayes as a citizen by intermarriage of the Chickasaw Nation, and for the enrollment of his minor children, Daniel, Minnie, Maggie and Edward Hayes, as citizens by blood of the Chickasaw Nation, that also at the same place and on the same date application was made for the enrollment of Martha McKinney as a citizen by intermarriage of the Chickasaw Nation; that at Ardmore, Indian Territory, on November 25, 1898, application was made for the enrollment of Oyd McKinney as a citizen by blood of the Chickasaw Nation; that at Atoka, Indian Territory, on December 5, 1899, application was made for the enrollment of Joseph Garsides as a citizen by intermarriage of the Chickasaw Nation, and for the enrollment of his seven minor children, Fannie, Ben, Alex, Jim, Nellie, Mattie and Joe Garsides Jr., as citizens by blood of the Chickasaw Nation.

Further proceedings in the matter of said applications were had at Durant, Indian Territory, at the session of the Commission commencing August 14, and ending August 18, 1899, and at Atoka, Indian Territory, on December 3, and December 8, 1900.

The applicants, Martha McKinney, Charley Hayes and his minor children, Daniel, Minnie, Maggie and Edward Hayes, and Joseph Garsides, are differently classified and are not embraced in this decision.

It appears from the evidence submitted and the records in the possession of the Commission that the applicants, Harris McKinney, and his three minor children, Laura Etta, Cecial Berthal and Maude Lee McKinney, and Oyd McKinney, Fannie Garsides, Ben Garsides, Alex Garsides, Jim Garsides, Nellie Garsides, Mattie Garsides and Joe Garsides Jr., claim rights to enrollment as citizens by blood of the Chickasaw Nation, by reason of being descendants of Polly McKinney (or McKinnie), who obtained a patent to land in Mississippi under the treaty of 1834 between the United States and the Chickasaw Nation, in which patent the said Polly McKinney (or McKinnie) was characterized as "a Chickasaw Indian;" that the principal applicants herein are, and have been for many years past, actual and bona fide residents of the Chickasaw country in Indian Territory, and are duly recognized as citizens of the Chickasaw Nation; that Harris McKinney's name is identified on the 1893 Chickasaw pay roll, book 2, page

2, No. 226; that Oyd McKinney's name is identified on the 1893 Chickasaw pay roll, No. 1, at page 140; that the applicants, Fannie Garsides, Ben Garsides, Alex Garsides, Jim Garsides, Nellie Garsides, Mattie Garsides and Joe Garsides Jr., are identified on the Maytabay 1893 Chickasaw pay roll, No. 2, duly enrolled with their father, Joseph Garsides; that Laura Etta McKinney, Cecial Berthal McKinney and Maude Lee McKinney, the minor children of the principal applicant, Harris McKinney, having been born subsequent to the tribal enrollment of their father, are identified from proper birth affidavits filed herein and made a part of the record in this case.

It is the contention of counsel for the Choctaw and Chickasaw Nations that the said Polly McKinney (or McKinnie) was a Cherokee Indian by blood, and that notwithstanding the recognition given the principal applicants herein as citizens of the Chickasaw Nation, they are not entitled to said citizenship as they are Cherokee Indians by blood and are not citizens by adoption of the Chickasaw Nation by an act of the Chickasaw legislature.

The contention that the said Polly McKinney (or McKinnie) was a Cherokee Indian and had no Chickasaw blood is not established by the evidence. She was recognized by the government of the United States as a Chickasaw Indian when the patent referred to was given to her, and was also recognized by the Chickasaws themselves, both in Mississippi and Indian Territory, as a member of said tribe of Indians; and it further appears from the testimony submitted, and the records in the possession of the Commission, that her descendants have been recognized and enrolled as citizens of the Chickasaw tribe of Indians.

The records in the possession of the Commission further show that none of the applicants herein has ever been recognized or enrolled by the Cherokee tribal authorities as a citizen of said Nation, nor has any of them ever been listed for enrollment as a citizen of the Cherokee Nation by the Commission to the Five Civilized Tribes.

It further appears that all of the applicants considered herein, except Cecial Berthal McKinney, who was born February 17, 1901, were residents in good faith of Indian Territory on June 25, 1898.

It is therefore the opinion of the Commission that the applications for the enrollment of Harris McKinney, Laura Etta McKinney, Cecial Berthal McKinney, Maude Lee McKinney, Oyd McKinney, Fannie Garsides, Ben Garsides, Alex Garsides, Jim Garsides, Nellie Garsides, Mattie Garsides and Joe Garsides Jr., as citizens by blood of the Chickasaw Nation should be granted under the provisions of section twenty-one of the Act of Congress approved June 21, 1898 (30 Stats., 499), and it is so ordered.

DEPARTMENT OF THE INTERIOR,
COMMISSIONER TO THE FIVE CIVILIZED TRIBES.

In the matter of the application for the enrollment of Emma May McKinney as a citizen by blood of the Chickasaw Nation.

--: D E C I S I O N :--

It appears from the record herein that on April 3, 1905, there was filed with the Commission to the Five Civilized Tribes an application for the enrollment of Emma May McKinney as a citizen by blood of the Chickasaw Nation.

It further appears from the record in this case and the records of this office that the applicant was born August 1, 1904 and is a daughter of Harris McKinney, a recognized and enrolled citizen of the Chickasaw Nation whose name appears opposite number 4648 upon the final roll of citizens of the Chickasaw Nation, approved by the Secretary of the Interior April 11, 1903, and Mollie McKinney, a citizen of the United States.

From a copy of a letter of the Commission to the Five Civilized Tribes to the Honorable Secretary of the Interior, dated March 23, 1903, transmitting partial roll of citizens of the Chickasaw Nation, numbers 4564 to 4659, inclusive, upon which partial roll the name of of the said Harris McKinney is found, it appears that it was stated in said letter that the rights of said Harris McKinney, and others specifically mentioned therein, to enrollment as citizens of the Chickasaw Nation "are established by tribal recognition and by their descent from Polly McKinney, who was adopted by the Chickasaw tribe of Indians in the state of Mississippi prior to the year 1834, and who obtained a patent to land in that state under the treaty of 1834, between the United States and Chickasaw Nation, in which patent the said Polly McKinney was characterized as 'a Chickasaw Indian'." However, on February 21, 1903, the Commission to the Five Civilized Tribes rendered a decision enrolling the said Harris McKinney, and others, as citizens by blood of the Chickasaw Nation, thereby establishing the status of said Harris McKinney as a citizen by blood of said nation. A copy of said decision is filed herewith and made a part of the record in this case.

It further appears from the record herein that the applicant was living March 4, 1905.

The Act of Congress approved March 3, 1905 (Public No. 212) among other things provides:

"That the Commission to the Five Civilized Tribes is authorized for sixty days after the date of the approval of this act to receive and consider applications for enrollment of children born subsequent to September

2.

twenty-fifth, nineteen hundred and two, and prior to March fourth, nineteen hundred and five, and who were living on said latter date, to citizens by blood of the Choctaw and Chickasaw tribes of Indians whose enrollment has been approved by the Secretary of the Interior prior to the date of the approval of this act; and to enroll and make allotments to such children."

I am of the opinion that Emma May McKinney is a child of a citizen by blood of the Chickasaw tribe of Indians, within the meaning of the provision of law above quoted and that, therefore, the application for her enrollment as a citizen by blood of the Chickasaw Nation should be granted and it is so ordered.

Dear Sir:

Receipt is hereby acknowledged of the affidavits of Mollie McKinney and M. E. Scott to the birth of Emma May McKinney, daughter of Harris and Mollie McKinney, August 1, 1904, and the same have been filed with our records as an application for the enrollment of said child.

Muskogee, Indian Territory, April 17, 1905.

Harris McKinney,

Platter, Indian Territory,

Dear Sir:

There is inclosed you herewith for execution application for the enrollment of your infant child, Emma May McKinney, born August 1, 1904.

The affidavit of the mother heretofore filed with the Commission was not acknowledged before a Notary Public. It is, therefore, necessary the application be re-executed.

The affidavit also shows that the child claims through you. It will be necessary, for the child to be enrolled, that you furnish the Commission with either the original or a certified copy of the license and certificate of your marriage to her mother, Mollie McKinney.

In having these affidavits executed, care should be exercised to see that all the names are written in full as they appear in the body of the affidavit, and in the event that either of the persons signing the affidavit are unable to write, signatures by mark must be attested by two witnesses. Each affidavit must be executed before a Notary Public and the notarial seal and signature

H. McK. 2

of the officer must be attached to each separate affidavit.

Dear Sir:

On April 17, 1906 the Commission addressed a letter to you advising you that it would be necessary for you to furnish the Commission with proper proof of the birth of your daughter Emma May McKinney before the rights of said child as a citizen of the Chickasaw Nation could be determined, stating in said letter that the affidavit of the mother of said child heretofore filed with the Commission was not acknowledged before a notary public. No response has been received to said letter. You are therefore again requested to furnish such proof of birth, and are advised that until the same is supplied the rights of your said daughter as a citizen of the Chickasaw Nation can not be determined.

Respectfully,

Chairman.

Dear Sir:

May 28, 1906, the Secretary of the Interior returned without approval a schedule of new born citizens of the Chickasaw Nation under the act of Congress approved March 3, 1905, for the reason that the degree of Chickasaw blood possessed by your daughter Emma May McKinney did not appear thereon.

I have therefore to request that you advise this office at the earliest practicable date the degree of Chickasaw blood possessed by your child Emma May McKinney.

Chief Clerk,

Dear Sir:

Referring to Chickasaw NB card No. 238, Emma May McKinney, you are advised that the degree of Chickasaw blood of this citizen has been made to appear as 1/8 and the following notation placed on said card:

"As to Chickasaw blood of No. 1 see affidavit of Harry McKinney of June 12, 1906 filed in Chickasaw #1677 June 20, 1906".

You are therefore directed to make duplicate card of this number in your possession conform to the information thereon.

Respectfully,

Commissioner.

Muskogee, Indian Territory, June 22, 1906.

The Honorable,
The Secretary of the Interior.

Sir:

Receipt is hereby acknowledged of Departmental letter of May 28, 1906, (I.T.D. 9584-1906) returning a schedule of children of citizens by blood of the Chickasaw Nation numbers 558 to 567 inclusive, which was forwarded May 3, 1906, for the reason that Emma Ray McKinney at No. 558 upon said schedule was admitted as a citizen by blood of the Chickasaw Nation but the quantum of Chickasaw blood possessed by her did not appear thereon.

Inasmuch as Section 19 of the act of April 26, 1906, provides that "for all purposes the quantum of Indian blood possessed by any member of said tribes shall be determined by the rolls of citizens of said tribes approved by the Secretary of the Interior," the Department does not care to approve a schedule not bearing evidence of blood opposite one of the persons shown thereon. The schedule was therefore returned unapproved and this office was requested to endeavor to secure the necessary information as to the blood of Emma Ray McKinney.

I have the honor to report in this matter that immediately upon receipt of Departmental instructions of May 28, 1906, a let-

-2-

ter was addressed to Harris McKinney, father of Emma May McKinney, requesting him to advise this office the degree of Chickasaw blood possessed by his child Emma May McKinney. This office is now in receipt of an affidavit from Harris McKinney stating that he is possessed of one-fourth Chickasaw blood and that his children, among whom is Emma May McKinney, are possessed of one-eighth Chickasaw blood.

The schedule of citizens by blood of the Chickasaw Nation numbers 558 to 567 inclusive has been corrected to show the Chickasaw blood of Emma May McKinney and the same is returned herewith.

Respectfully,

Through the Commissioner
of Indian Affairs.

Dear Sir:

Referring to the application for the enrollment of your infant child, Leroy Dick, it appears that you are a citizen by blood of the Choctaw Nation, while your wife is a citizen by blood of the Chickasaw Nation.

Your attention is called to the provision of the Act of Congress approved June 26, 1898, as follows:

The several Tribes may, by agreement, determine the right of persons who for any reason may claim citizenship in two or more tribes, and to allotment of lands and distribution of moneys belonging to each tribe; but if no such agreement be made, then such claimant shall be entitled to such rights in one tribe only, and may elect in which tribe he will take such right; but if he fail or refuse to make such selection in due time, he shall be enrolled in the tribe with whom he has resided, and there be given such allotment and distributions, and not elsewhere.

It will therefore be necessary for you and your wife to appear before a Notary Public or other officer authorized to administer oaths and by affidavit elect in which nation you desire to have said child enrolled, forwarding same, when properly executed, to the Commission.

Respectfully,

Muskogee, Indian Territory, June 26, 1905.

This matter should receive your immediate attention.
